A woman with long, wavy red hair is sitting on a white couch with a black leather base. She is posing for a photo, looking over her shoulder at the camera with a slight smile. She is wearing black high-heeled sandals with ankle straps. She has a small tattoo on her left hip. The background is a blue wall with some framed pictures.

Despite my young age, I have always been told that I have an old soul; although I know myself to also have a naturally youthful attitude toward life, and understanding of the absolute importance of joy. In this crazy world sometimes it is the most essential, and human of needs that are left by the wayside. Since I have a great passion and inner need to look after and care for people, I am determined to cater to all of these needs. This could be having an open ear for you, a gentle touch, sharing laughs, experience intimacy and providing genuine companionship. Help you to love yourself, make you feel at ease, relaxed, content and in general, just better for a while is what I like to do.

I enjoy maintaining a healthy lifestyle. Exercising regularly keeps my mind clear and my body fit and in an absolutely spectacular firm and sexy shape. I love to indulge from time to time with a gourmet dinner, fine wine and a piece of delicious dark chocolate cake. Life is a great gift filled with uncountable possibilities and the world is a place full of opportunities. Sexuality, sensuality and eroticism fascinates and attracts me. As in many areas of my life, I am in constant search for new challenges and experiences. Like the experience that happened last week to me that I want to share with you.

At the house, I got myself ready for a party that night. I

live with a couple other women, and that makes the rent manageable for me. I put on my evening dress and it was perfect. I say to myself, 'I look great' and can't wait to get to the party. I put on the finishing touches, my perfume and grab my bag. I walked out into the living room and both my roomies smiled and said I looked great. We took a few selfies, drank some wine, and then the door bell rang. I went outside to my waiting ride. "I don't know if I'll be back tonight or in the morning." I say and disappeared out of the door.

Brady and I arrived at the party after a twenty minute drive. The mansion was big and spooky and the music could be heard outside. As we pulled up, I was really excited and this was perfect for a night out to treat myself. I felt good and sexy and it showed. I walk tall, and when you feel sexy, you act sexy without realizing it. Brady, my friend, helped me out of the car and told me I looked fantastic and he wished I was his date. I wasn't though and he knew it, I had always made it perfectly clear although he fancied me that he wasn't my kind of guy, but he always says he hopes one day my feelings will change. But I know he has his eye on one of the girls who's supposed to be at the party tonight. It was compulsory fancy dress so if you weren't dressed up you wouldn't get in.

Brady was dressed as an old school New York Yankee baseball player, Mickey Mantle, the famous #7.

I want to feel your cock
inside me. I want to be
fucked so bad

I'M A STRANGER IN HIS BED

We walked up the drive and into the house. It was already packed and I looked around to see who I knew. I was already turning some heads of the guys. I am a very shy person but love knowing someone thinks I look hot, and tonight I did. I spotted a couple of girls I knew and Brady saw some of the guys, so he asked if I was ok and off he went. I scanned the rooms I could see and noticed a few good-looking guys. This could be a good night after all. There were people walking round with drinks and a bar in the corner. I grab a smoking glass of something tasty and stood chatting with people at the bar. Then I decided I should go walk around to see what was going on. I met people I knew on the way and kept getting introduced to many new people. My butt was pinched a few times as I walked through the rooms. That made me smile. Then a guy, whom I was told was the host, caught my eye.

He was dressed in a black MIB suit with his skinny tie and sunglasses. Much younger than Tommy Lee. I saw a few couples getting heated up in corners of the rooms.

He came over to me and asked for a dance. I looked him up and down and gave an aloof 'Okay.' After a couple of hours and several drinks, I was getting quite drunk.

That's when you walked over to me with a drink and we started talking and then danced to the music which had now changed to soft and gentle. I found myself telling you I was a bit woozy and you took my hand and walked me to the stairs. I was swaying a lot as I was now drunk. You moved me in front of you and I walked up the first few steps and then your hands came to my hips. I could feel you were a strong guy and your hands helped me up the stairs. You pointed to a room and your hands were now on my waist helping me walk into it.

I walked in and right away you lean over and kiss me and tell me how sexy I look. I smile back, my breasts heaving inside my dress and you walk behind me and start kissing my neck. I lean my head over allowing you to kiss more of my neck. You're undoing my hair as you kiss me and it falls around my shoulders. I'm getting very aroused. Your hands come up and cup my breasts and I lean back on you. You can see right inside my dress and you want me. Your hands are undoing the zipper on the back on my dress and you pull it down. It falls to the floor and I step out of it and walk towards the bed. Your cock immediately stands at attention when you see my

bask and body. I want sex. I want to be fucked and you want me. You come over and push my legs apart, stand between them, and lean down on me. You kiss me as your hands cup my breasts. They're full and sexy and you want to feel them. Now they are on full display as your mouth goes straight for my nipple, nibbling and sucking on it. I wrap my legs around your waist and I reach up to undo your shirt but you grab my hands and move them above my head. You kiss down my chest, over my belly and your hand reaches between my legs finding my pussy.

My hips are responding to your touch and my ass gently moves up and down. Your mouth has reached my pussy and you are licking me over my panties. Then your hands grab them and remove them as you push two fingers inside me. My hips are moving up and down now to your touch. I want to feel your cock inside me. I want to be fucked so bad. You see what I want and you just want to please me so you put your cock to my pussy I feel the tip at my opening and wrap my legs tighter so it pushes you inside me. You push deep and hard because you know I don't want a gentle fuck. I just want to feel you pounding my pussy. Now your cock is deep inside me pushing hard and deep. My breasts are bouncing as you reach up and grab one, pulling on my nipple, I'm moaning loudly now and you can see I'm cumming. I'm not a one orgasm woman though, and I want more

.....

You pull me down the bed and raise my hips so you can reach my ass with your fingers. You find my hole and insert a finger inside me to see how I react. My face tells you I like it. You pull them out flip me over onto my belly pulling me up on all fours and dragging me to the edge of the bed. Again you push a finger into my butt hole and two inside my pussy and start finger fucking me. But I want your cock inside me fucking my ass.

You're not the kind of guy that needs telling twice and you pull out your finger and slap my butt cheeks a few times. You're looking down at my butt thinking how nice it looks so you put your cock to my anus. I move back on you feeling you enter me. It's tight and hot and you move gently at first. Then as you get further inside and I'm moaning like mad, you push further into me until I'm taking all your cock. I start to drop to my elbows but you grab my hair and pull me back up. Using my hair as leverage, you fuck me hard in my ass. Suddenly, you say you're going to cum and I'm screaming now with my head in the pillow. I scream for you to do it and I feel your hips moving faster. A few more pushes and you feel your balls tightening and then you shoot deep inside my ass shot after shot. I start moaning and screaming louder that I have to muffle myself in the pillow as I cum. Then you let go and I fall down to the bed and lay next to me. You pull a sheet to cover us as we drift off to sleep.

your cock makes my mouth water!

Naomi

Yes, I said it. I'm only lonely with my man. I got with him thinking it would be fun and games, but after the fun ran out for him, he ran out of libido and he's now a sexual dud instead of a stud. I don't know if he's getting it on the side, but he's sure not getting it from me. So when I need my pussy fucked or a big cock in my ass, I just text my friend for a booty call and he cums over in a heartbeat.

ariana's the perfect combination of small, pert and sexy. She's changed into some rather conservative clothes and plopped down on Danny's lap. He couldn't believe how sweet her pussy was and had to taste it. He loves eating pussy and he clearly shows how much he enjoyed Ariana's. Once her pussy was moist enough, it was time for some hardcore action. She hopped on his dick and bounced away; squirming and shaking that firm ass all over the place.

DRESSED TO THRILL

While we're sure her pussy was great. Once he was nice and snug in there, Danny began to ravage her miniscule fuck holes. There's nothing better than a sexually satisfied petite teen covered in a cum, and in this scene, Danny and Ariana certainly bring us that and much more! So lay back and let your smallest of fantasies cum true.

i'm only sexting for fun

I'm having an email affair with this guy right now. Unfortunately he is married :(We have never seen each other but have become lovers by way of our imaginations and the wonderful world of computers. The following series of stories are products of our on going cybersex affair (I'm Pattie). It all began when I asked him a series of questions. The following are his responses plus my answers to questions he asked me.

Hi Pattie,

Well my favorite position is on my back and have you lay on your back on top of me. That way I can still fuck you, play with your clit and tits. The kinkiest place is a toss up between two places: First was at the beach in the water with a bunch of friends (they didn't know we were doing it, and the other was with my wife. We were at another beach at night with another couple. In view of them, we fucked on the hood of our car. Meanwhile the other couple was fucking on the ground about 10 ft away. This was my first and only anal sex. It was great!!! The kinkiest thing I would like to do is fuck two women at one time. I guess that's only logical being a man. As for what I like, I like all three, oral, anal, and vaginal as well as eating pussy. Now it's your turn:

- 1) What position do you like?
- 2) What do you like best: oral, vaginal or anal?
- 3) What is the kinkiest sex you have ever had, and what would you like?
- 4) Have you ever made it or thought of making it with a woman? Now you told me not to hold back.

You said you were thirty with blonde hair, but what do you look like? I'm six foot with brown hair. Well I guess that's it for now. Next time I will know what you like so it will make it easier to write to you and give you a good story.

Richard

Dear Richard,

Believe it or not I have never tried your favorite position! It sounded quite interesting though and will have to suggest it to my next lover, whoever he may be. My favorite position is one of two, depending

on my mood. When I need to be aroused I generally prefer doggie style for much the same reason you like your favorite position - easier access and greater stimulation. I really think I would like your favorite position. My other leading style is for when I'm really hot and maybe he needs some encouragement. I like my man to sit on the couch and I'd give him a few licks just to get his attention (especially if football is on) and then I'd climb aboard and away we'd go.

I like oral, vaginal, and anal sex although the fastest way to bring me off is with your mouth. Anal sex is more of an occasional thing when you want to add some of the thrill of the forbidden. It is definitely not

for everyone and it seems many people, male and female, don't like it. My last lover was into it and that was okay with me ;)

Well the kinkiest place I have ever done it has many candidates. I'll give you some of my favorites. My very first lover was when I was 19 and he was actually a marine. He had an interesting experience on a bus on the way to California. He was sitting on the bus talking to an attractive woman sitting next to him when the subject eventually turned to sex and she offered to suck him off right there. Needless to say he didn't say no. After she got off, the next day another woman got on the

and no one said anything. I once, on a dare, sucked him to orgasm at a booth in a restaurant where he sat with two other friends, also marines, who were aware of what was going on. In fact, it was one of those two who dared me. I used to never turn down dares :)

Aside from those experiences I was once in the chemistry lab during college when I got the itch. It was quiet in the lab. The door was open but no one was actually in the room with me. I was waiting for the gas chromatography to analyze my material so I put one foot on the lab bench, unzipped my shorts and worked them down just far enough

to give me complete access. I spread my lips and beat my clit until I came in record time. My latest lover used to like to just sit and watch me masturbate. I like to be watched by my man.

What I would like to do is a much harder question. On occasion I fan-

tasize about things that I'm not sure I would actually like to try. This, however will have to wait till I know you better.

As far as sex with a woman I have never done it. I did, however go to a woman's college and had many bisexual friends make some serious passes at me. Gay women find me very attractive. I have had many offers. I did consider it a couple of times but only because I didn't have

a man around. I didn't go through with it because I didn't want to hurt anyone's feelings by using them.

I am 5'8, 130lbs and wear a 36D cup size. I have short blonde hair with red highlights. My eyes are light brown. I also have a great smile 'cause my dad's a dentist. I wear contacts but wear glasses at work.

Hope to hear from you soon.
Pattie

Well Pattie,

You have me wondering what you are scared to tell me. It can't be all bad, plus you told me to push you along. I do hope that you do decide to share it with me. I find it really exciting to watch a woman bring herself to cum in front of other people. I just wish I was there now so we could do it together. The first one to cum is the winner, and the loser becomes their sex slave for the night. Something I have not tried yet is bondage, but I guess you have to fuck someone that you trust. If not on telling how long they would leave you there, or what they would do. Well I need to go for now. I hope to hear from you soon. I promise that my next mail will make you want to play with your pussy. But that will be later on tonight.

Talk to you soon.
Richard

Hey Richard,

The last bit that you liked about coming for my lover actually happened at the fire station that I volunteer my time at. It was late at night and we were watching some soft porn on cable when he asked me to finger myself for him. At first I was really shy and worried that someone would come downstairs and see me. The woman that never blushes was

bus and they started talking. My friend related his experiences to this other woman and boy did she get hot. They eventually had some pretty wild sex in the long back seat of that bus. After this experience, he was addicted to public sex. I was broken into the world of sexuality in a number of public places. I often brought him off in public with my hands. I once sat on his lap while a bunch of friends were watching TV. We were cuddled under a blanket

blushing up a storm. It didn't take long before I started to get into it and began to give him quite show. I ended up coming not once but twice. He got so hot watching me that when I was done he bent me over the back of the chair, dipped into my cunt for a little lubrication and then went into the backdoor. That was my first experience with a cock buried in my ass but it was wild!! He got extra credit for being inventive and not giving me the opportunity to object as I may not have done it.

Enjoying this a lot :)

birthday bashed

Bryan bent me over, spread my ass, and licked around and inside of me while biting on my soft cheeks. I was dripping wet when Bryan told me to lay on my back. He took off my heels and began sucking on my toes one by one taking his time to taste each and every toe. He started licking my soles from the bottom to the top, pausing each time in the middle and licking them how I like it. His tongue worked its way up to my pussy and he dove in face first! The whole time he was telling me how much he loved the taste of my pussy with a smile on his face.

I looked over at my hubby to see him with Bryan's wife still enjoying his time. He had her bent over and I could hear his balls slapping her ass each time he pushed hard into her. I couldn't stop cumming while seeing that and having Bryan's tongue inside of me. As soon as Bryan started fingering me, I had an orgasm and I couldn't stop. My

toes curled, my back arched, and my legs kept shaking. I knew I was in for a good time. I had Bryan sit down and I began licking on his long thick hard cock. I started from his huge balls and worked my way to the top. My hubby came over and started fucking me as I was sucking on Bryan. While being bent over between two guys, I couldn't have had a better birthday.

My hubby came quickly, since he had been fucking Bryan's wife non-stop so far. As soon as I stood up from sucking off Bryan, my hubby kissed me deep and long. he stuck his tongue deep down my mouth tasting Bryan's sweet cock in his mouth. I know he loves being my hubby, and these are the moments that turn us both on so much!

I laid on my back next to Bryan's wife and I began to rub on her clit in a circular motion as Bryan was sliding his thick wet cock in and out of my hot pussy. I could feel it deep inside of me, all the way in my stomach to the top. I kept moaning how bad I love being his bitch, and I kept begging for more. And he kept giving me more.

I got up and got into doggy style position and Bryan slipped it back in me. The harder and faster he went the more I could feel his balls slap up against my clit. I was so turned on and cumming non-stop the whole time. That's when Bryan's wife pulled my face down into her pussy. I could taste my husband's cum and hers as I licked up and down her sweet engorged pussy lips. Bryan told me I better enjoy

my birthday a lot because he just came in me.

Soon as Bryan had cum inside of me a few more times, I told my hubby to eat me out and taste how good his wife had just gotten it. He began eating me out, not missing a spot. It felt so good being the center of attention that night, and it was a great

end to a birthday I'll never forget, at least until the next one!

After our fun, we all cleaned up and my hubby left and said he'll pick me up later the next day. I tried to sleep naked in Bryan's bed with him, but for the next ten hours I couldn't stop sucking him and swallowing his cum all day. When hubby came to pick me up later that day, my black dress was covered in Bryan's cum, my face was covered in Bryan's cum, and my pussy was filled completely. When we got back home, me and hubby had the best sex of our lives!

Hello there... I am hoping these pictures peaked your interest. I'd like to indulge you in a romantic encounter that will leave you crawling back for more. I'm very new to L.A. and would love to enjoy everything it has to offer by meeting new people. I have a teasing, sometimes sarcastic sense of humor. I am open minded and love to try new things. Can I try something new with you?
